training events taking place Australia WIDE. We're dedicated to keeping you informed so that you don't miss out on any valuable opportunities! Whether you're an experienced home mods OT, a newcomer to the field, or someone eager to delve into the world of home mods, we're committed to updating you on the latest chances to enhance your knowledge and skills in this area.

Stay connected and informed as we bring you valuable insights and learning opportunities to support your professional growth in the home modification domain.

HÄFELE INCLUSIVE OT

Format: Face to Face

Presenter: INCLUSIVE OT X Häfele

Date: Friday 8th of September 2023

Time: 9:00am - 4:00pm

Location: Häfele NSW OFFICE & SHOWROOM
39 Topham Road, Smeaton Grange NSW 2567

This workshop is for occupational therapists interested in building their skills in functional kitchen assessments to inform task & environmental modification in a meal preparation environment. They will explore the benefit of partial modifications and full kitchen re-design. This unique event is a must for OT clinicians who want to prescribe kitchen and meal preparation solutions that are functional, backed by clinical evidence and matched well to the individual's goals and home environment.

MEASURING THE PERSON, THEIR EQUIPMENT, AND CARER

Format: Live Online Webinar

Presenter: Elizabeth Ainsworth

Date: Wednesday 6th of September 2023

Time: 12pm - 1:30pm (QLD time)

Location: Online

This workshop is designed to equip attendees with valuable information about taking accurate measurements of a person, their equipment, and their carer. Participants will learn about the advantages of measuring, tools to use during the process, and the relevance of anthropometrics, ergonomics, and biomechanics to practice. The workshop will also cover key postures to consider and how to translate measurements into features in the built environment.

Cost: \$70

POST MODIFICATION EVALUATION (PME) PROCESS AND TOOLS

Format: Live Online Webinar

Presenter: Elizabeth Ainsworth (including guest speaker)

Date: Thursday 7th of September 2023

Time: 12pm - 1:30pm (QLD time)

Location: Online

This workshop will explore the post modification evaluation (PME) process and tools, with a special guest speaker sharing the latest research on PME in home modification practice. Attendees will gain an understanding of the value of undertaking a PME and the benefits it can bring to clients. The workshop will also provide valuable tools and resources for practice, including best practices and guidelines for carrying out PMEs effectively.

Cost: \$70
